

Sensitive Foam Soap

For sensitive skin
520701

Think ahead.

Allergy friendly
perfume and colour free

Provide extra care for dry and sensitive skin with Tork Sensitive Foam Soap. With its skin-replenishing ingredients and no perfume or colourants added, this soap cares for all skin types. It's certified allergy-friendly by ECARF, the European Centre for Allergy Research Foundation. It's also suitable for use with Tork S4 dispensers, which are certified easy to use and provide good hand hygiene to all users.

Advantages at a glance:

- + Moisturising formula that's suitable for frequent use
- + Certified allergy-friendly
- + Hygienic factory-sealed bottle with new pump for every refill
- + Collapsible bottle for 70% less waste volume (based on Essity test)
