

WHY MARTOR?

Safer tools. Safer people.
Smarter workplaces.

Every cut has a cost.
With over **30,000** reportable cuts in the UK & Ireland every year*, it's time to take control and choose a safer way.

THE MOST PROFESSIONAL TOOLS TO KEEP WORKFORCES SAFE

SAFER BY DESIGN

Innovative, ergonomic knives that protect people and reduce injuries.

BUILT TO LAST

Exceptional quality materials and engineering mean our tools last longer and stay sharper.

LOWER COSTS

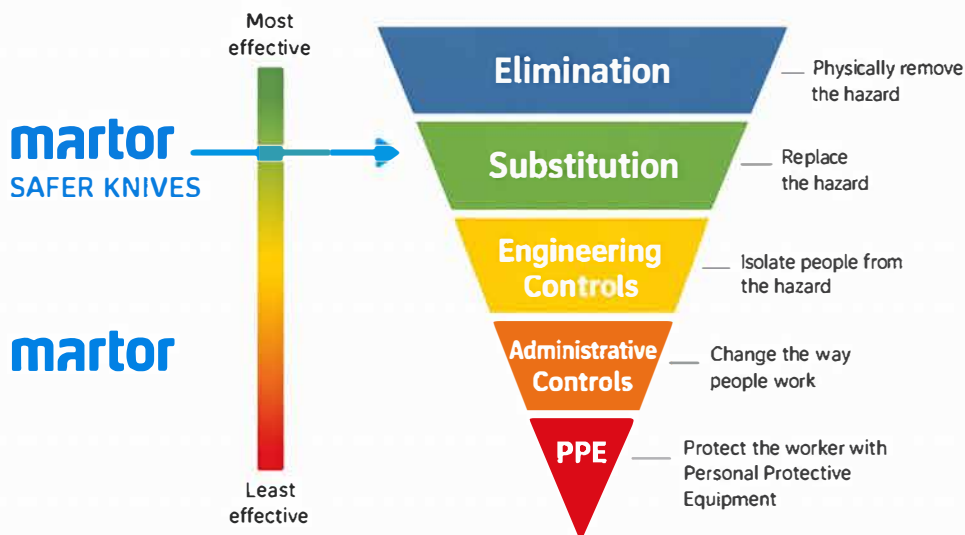

Fewer injuries, less downtime, lower replacement costs and happier workforces.

TRUSTED GLOBALLY

Used by thousands of leading businesses across logistics, manufacturing, retail and more.

WE HELP YOU MOVE UP THE HIERARCHY OF CONTROLS

SUBSTITUTE RISK

martor safer knives replace traditional blades to remove unnecessary risk without compromising performance.

RETRAIN WORKFORCES

Our training assets help change habits and build a culture of safe cutting.
